"VIETNAM TOP ICT 2018" AWARD REGULATIONS

The "Vietnam TOP ICT 2018" Award is a national award, organized by the Ho Chi Minh City Computer Association (HCA) to select and award based on the criteria of turnover achieved by enterprises's products or services which are registered. The average annual turnover of the winning units accounts for nearly 40% of the industry's revenue, showing the importance and prestige of the award. The Award is expected to take place on July 25th, 2018 as part of the event "Vietnam ICT Outlook 2018 "

Vietnam Top ICT Awards organized by Ho Chi Minh City Computer Association (HCA) annually, started in 1998. From 2001 to 2016, the award was organized under the name of "Vietnam ICT TOP5 and Gold Medal Awards". The TOP 5 ICT Award was given in parallel with the Gold Medal Award, which was ranked according to the criteria of turnover of top 5 IT companies. From 2017, the "Vietnam ICT TOP5 and Gold Medal" Awards will be renamed Vietnam TOP ICT Award.
